

Totally Buffalo's mission is to bring joy and hope to sick children this holiday season by filling 500 pillow cases with items that help keep kids busy and feel a little more at home while they are in the hospital. L&M joined this effort by selecting *Make a Case for Kids* as our 2019 holiday charity!

L&M employees filled 20 pillow cases with amazing toys, books, games, pajamas and more for sick children at Oishei Children's Hospital, as well as those in need throughout our community.
